University of Alberta

THIS YEAR'S RELAY FOR LIFE

Relay For Life at your school may look a little different this year. However, Relay For Life will feature all the hallmark Relay components of Relay events — celebrating cancer survivors, walking laps, enjoying fun activities, supporting people living with cancer, collecting online donations and remembering those we've lost.

Today, nearly half of Canadians are expected to be diagnosed with cancer in their lifetime. But with your help, we're funding groundbreaking research and able to provide a national support system for people with cancer, their caregivers and their families.

Together, we will show Canadians affected by cancer that they d… to go through their journey alone. We're so grateful for your support.

Who Are We?

UofA Students working together to raise money and awareness for cancer, affiliated with the Canadian Cancer Society.

What is Relay for Life?

A FUN and EXCITING way to support those affected by cancer

Unite Your School

The Canadian Cancer Society Relay For Life is an event like no other. At Relay For Life, students can step up, build school spirit and make a real impact — while learning valuable lessons about teamwork and giving back. Relay is your school's chance to join our global movement, which is active in 29 countries and 6,000 communities worldwide!

Make A Difference

Relay unites students to raise money for game-changing research into all cancers. Your fundraising efforts help scientists make important progress, so people diagnosed with cancer can live longer than ever before.

When you Relay, you also enable the Canadian Cancer Society to provide a national support system for people with cancer and their families. Together, we're helping people manage life with cancer with services including accommodation at our patient lodges, transportation to treatment, and so much more.

With nearly half of Canadians expected to be diagnosed with cancer in their lifetime, your contribution has never been more important. See how your support has helped people with cancer live their lives as fully as possible

Join the Relay Movement

Not only will you be making an impact on people affected by cancer, Relay For Life is an EPIC experience! Create a legacy at your school with an unforgettable event that is customized for YOUR students. Provide entertainment, games, great food and enjoy time with friends all while walking laps in teams. It's a party with a purpose!

We're here to help you honour those who live and have lived in the face of cancer — and make sure your Relay is an unforgettable experience for everyone involved.

Together, we are a force-for-life in the face of cancer. Join our movement to make a difference and be bigger than cancer!

Get Involved

The fight against cancer needs you now more than ever. To ensure our mission programs are sustainable, we need volunteers to continue to unleash their creativity and consider new and different ways to get involved with Relay For Life and help fund our cancer-fighting work.

Event News

We're embarking on a new journey this year that will be filled with the signature Relay For Life activities that you know and love. This fundraising event helps show people affected by cancer they have our support and don't have to face cancer alone.

By joining your school's Relay, you will be making a meaningful difference for Canadians affected by cancer. Your participation and donations will help fund groundbreaking research and vital services that support Canadians currently living with cancer.

Encourage your friends to Relay with you, no matter where they are.

Past Newsletters

Feburary 2022
"Being part of Relay as VP Operations and working with such amazing committee members has allowed me to develop myself personally and professionally while navigating the leadership role. In the new year, there are lots of exciting events coming up, so stay tuned! I look forward to seeing all of you there!"

January 2022
"I joined Relay for Life because it brings us all together to celebrate the strength and perseverance of those affected by cancer. Relay has also allowed me to connect with and work alongside amazing people working hard to bring positive change in our community."

December 2022
Interested in learning more about cancer research? Have a passion for scientific findings? Check out our cancer researcher speaker series on Tuesday, Nov. 9 @ 7pm MST! Dr.Spencer Gibson & Dr. Ing Swie Goping will be our honoured guests of the evening. Be sure to have your questions ready for the QnA!

November 2022
Love supporting local artists? Need some cute keychains to decorate your bag? Find us at CCIS by Remedy Cafe on Friday October 29 from 9:30-3:00 for our amazing Art Sale! All proceeds go towards the Canadian Cancer Society to support patients with cancer
